A piping hot bowl of soup is all you need when the cold sets in. Pull out all the stops with our decadent Israeli lamb soup or save time and money with a thrifty chicken soup - we've made the hit list, so you can do the rest.

[1. BULKED-UP BUTTERNUT SOUP](#)

Cooking a bulk batch of soup can save time and money, plus there's very little effort involved. Need new ways to make it shine? No problem! Perk it up with a couple of our awesome variations and you've got a whole new soup sensation for the family to try!

3. TOMATO SOUP WITH ANCHOVY BUTTER SOLDIERS

We're obsessed with tomato soup - it's quick, easy on the pocket and soup-er versatile. Have it ready in a flash or roast your tomatoes low and slow for a richer flavour. Serve it with anchovy butter soldiers, a swirl of basil pesto or gooey cheese toasties.

[4. TOM YUM SOUP WITH PRAWN TOASTIES](#)

It's getting hot in here! This Thai favourite is packed with fragrant goodness and is perfect for keeping the cold at bay. We've kept our broth vegetarian and added an optional prawn toast instead.

[5. POTATO AND LEEK SOUP WITH A TWIST](#)

Bring on the rich and creamy, baby! We've topped this fave with roasted cauliflower and nuts, but crispy bacon is a great topping too.
