7. TIRAMISU CHOC CUPCAKES

All the flavours you love in the classic Italian dessert can be found in these mouthwatering cupcakes. Better yet, you can hack it by using store-bought chocolate muffins and just making the topping!

TARTS AND PASTRY

Tarts and pies can go from picnic treats to speedy dinners. Swap savoury fillings for berries and chocolate and bake in tart shells or feed a crowd by baking in a sheet tray. If you're up for the challenge, make your own pastry from scratch!

10. FIG AND GOAT'S CHEESE TARTLETS

A great addition to a picnic basket.

11. NUTTY PEAR AND CHOCOLATE PIE

Pears and chocolates are a surprisingly great pairing.

12. MINI BERRY GALETTES

Berries may be out of season, but frozen works just as well in these mini treats.

BROWNIES AND TRAYBAKES

For most baking novices, fancy bundts and tart tins may not be readily available. But everyone has at least one sheet tray within reach. These 3 traybakes are for the home bakers looking for something easy but still dazzling enough to impress.

13. MILLIONAIRE BROWNIES

Next stop: indulgence station! If three layers are too much effort or just too sweet, make this easy brownie recipe by itself and serve with ice cream.

14. CROATION NUTTY BISCUIT BARS

No need to turn on the oven for this one. This clever no-bake recipe is perfect for when you're short on time, but still want to serve up a showstopping treat.

15. CHOCOLATE TRAYBAKE WITH SOUR CREAM GANACHE

SAVOURY BAKES

Baking isn't just all sweet stuff, after all, what's a quiche without the delicious savoury fillings? So, if you're looking for something on the savoury side, these recipes will do.

16. BASIL BRAIDED LOAF

Don't be fooled by the intricate layers of pesto and dough, this braided loaf is dead-easy to make. Check out this video for our step-by-step guide.

17. BROWN ONION LOAF

A packet of brown onion mix lends a savoury and umami flavour to this humble loaf.

18. TOMATO GALETTE

Happy baking!
